Bronchiline

A safe, pleasant remedy for Coughs, Colds, and all Bronchial affections. It relieves congestion and soothes without containing anything in the nature of an opiate. Has been in use for more than twenty years, and in that time, has been used and indorsed by leading Physicians in all sections of the United States. BRONCHILINE is the ideal expectorant. We are not asking you to experiment with some new remedy. Call for BRONCHILINE and take no substitute. A trial will convince you that BRONCHILINE is the best. Keep a bottle in your home—two sizes 25 and 50 cents.

We attended a delightful meeting of the Kentucky Press Association at Louisville this week. Almost half a hundred representative editors from all parts of the state were on hand. While the Association takes politics in its sessions and organization, of course, the newspaper men talked politics between times. We talked to every editor there, save possibly one or two whose position was already known, on the race for U. S. Senator to be run next August. Of this powerfully representative assemblage not over four favor Oswald Stanley for Senator, two are for McCreary, if he runs, on account of certain home ties, with Beckham a strong second choice; about three are on the fence as yet, and may stay there, one is for Smith, Beckham next and the rest are enthusiastic for Beckham.

Stretching across the state from "end to end" a solid cord of the most influential country papers will be found fighting with might and main for nomination of the man who was so basely betrayed by four misrepresentatives of the party five years ago, and who, like Woodrow Wilson, stands for all that is best and cleanest in politics and government. Men who never substantiated him before are for him enthusiastically this time and those who have always been for him are stronger in their love and fealty.

We talked to all of them and the editors say that in almost every district in the state Beckham is an overwhelming favorite. One editor in the First congressional district told us he did not know a man in his county against Beckham. It really looks like what the politicians call a "landslide". As certain as there is a just God in heaven, J. C. W. Beckham will be nominated next August and will join Ollie James at Washington, these two returning Kentucky to the standard of representation in the most deliberative body on earth which placed the fair old commonwealth in the front rank of the nation's councils. So note it, ho.

Robert C. Franklin, who for 16 years has been one of the best Commonwealth's Attorneys in the United States, has resigned to devote himself to his private law practice.

You will find that druggists everywhere speak well of Chamberlain's Cough Remedy. They know from long experience in the sale of it that in cases of coughs and colds it can always be depended upon, and that it is pleasant and safe to take. For sale by G. L. Penny.

DANGER FROM GRIPPE

Lies in That Cough and Weak, Worn-out Condition.

Grippe, pleurisy, pneumonia, these are greatly to be feared at this time of the year.

To prevent grippe from being followed by either pleurisy or pneumonia, it is important to drive the last traces of it out of the system quickly.

Our advice is to take Vinol, our delicious and liver and iron preparation without oil, and get your strength and vitality back quickly.

Mrs. A. A. Grabill, of Strasburg, Va. says: "Grippe left me weak, run down and with a severe cough, from which I suffered four years. I tried different remedies, but nothing seemed to do me any good until I took Vinol, from which I received great benefit. My cough is almost entirely gone, and I am strong and well again, and I am glad to recommend Vinol to others who suffer as I did."

Try Vinol with the certainty that if it does not benefit you we will give back your money. Penny's Drug Store, Stanford, Ky.

SAID SHE WOULD FAINT

Mrs. Della Long Unable to Stand On Her Feet More Than a Few Minutes at a Time.

Pendergrass, Ga.—Mrs. Della Long, of this place, in a recent letter, says: "For five or six years, I suffered agonies with womanly troubles. I couldn't sit up more than a few minutes at a time, and if I stood on my feet long, I would faint."

I took Cardui, and it helped me immediately. Now, I can do my work all the time, and don't suffer like I did."

Take Cardui when you feel ill in any way—weak, tired, miserable, or under the weather. Cardui is a strength-building tonic medicine for women.

It has been found to relieve pain and distress caused by womanly troubles, and is an excellent medicine to have on hand at all times.

Cardui acts on the womanly constitution, building up womanly strength, toning up the nerves, and regulating the womanly organs.

Its half century of success is due to merit. It has done good to thousands. Will you try it? It may be just what you need. Ask your druggist about Cardui. He will recommend it.

N. B.—Write to: Ladies' Advisory Dept., Chamberlain Medicine Co., Canton, Mass., for Special Instructions, and to name book, "Home Treatment of Women," sent in plain wrapper, on request.
